

Dear Parents,

Thank you for your consideration in partnering with Lodi Christian School. We recognize and appreciate the importance of this decision and share your commitment in finding the “best fit” in a school for your family.

Lodi Christian School is rooted in our mission of creating a Christ-centered environment where our young people can grow, explore and academically challenge themselves in a positive Christian environment. We take a holistic approach to education and focus on the whole student, ensuring that our young people are not only academically prepared for high school and beyond. It comes down to our dedicated and experienced teachers and staff who get to know your student on an individual level. We strive to create a nurturing environment where students from preschool to 8th grade are able to learn and challenge themselves. We are committed to searching, exploring new approaches to meeting our students and families needs spiritually, academically and socially.

LCS board and staff continue to seek God’s wisdom and guidance each day in preparation for the next school year. Please prayerfully consider this decision for your child. We are very excited about what Lodi Christian School has to offer and look forward to you joining our school family.

Again, if you have any questions or comments, please do not hesitate to call us at 209-368 ROAR(7627). We look forward to another wonderfully blessed and productive year!

In His service,

Mr. Ron Hittle
